DEDICATION

The class of 1970 dedicates this yearbook to Doctor Boyle, who was welcomed as Academic Dean of the College in August, 1969. Though his promotion caused mourning among the English majors, who were sorry to lose an excellent teacher, the student body was delighted to learn that one of the most understanding professors on campus was named the new Dean.

A native of New Jersey, Doctor Charles J. Boyle was graduated from Spring Hill College in 1950 with an A.B. degree in English, and highest honors. For the following two years, he attended graduate school at Marquette University, where he was awarded the M.A. in 1952. He joined the teaching staff of Spring Hill for one year and then proceeded to the graduate school at the University of Wisconsin, where for four years he worked to earn his Ph.D. in American Literature. At both Marquette and Wisconsin, he taught part time as a teaching assistant.

His tenure at Spring Hill has been continuous since his second return in 1957. He was made Professor of English in 1963, and in that same year was honored as "Distinguished Professor" and named by his students as "Teacher of the Year." Doctor Boyle has taught courses in Modern Drama, American Fiction, American Poetry and lower division courses. Even though his new duties will keep him busy, he plans to continue teaching a few courses. He is married to the former Roberta Fink and they have two little girls, Barbara Catherine and Bridget.

That Last Week End

An exciting and busy schedule greeted the seniors on graduation weekend:

Friday, May 8th	8:00 p.m. "Your Father's Moustache" party, featuring beer and jazz.
Saturday	2:00 p.m. Awarding of Army commissions to ROTC graduates.
	8:00 p.m. Cocktails, the Quadrangle.
Sunday	9:30 p.m. Baccalaureate Mass, St. Joseph's Chapel.
	3:00 p.m. Commencement Exercises, Avenue of Oaks.
	9:00 p.m. Senior prom, Highland Country Club.

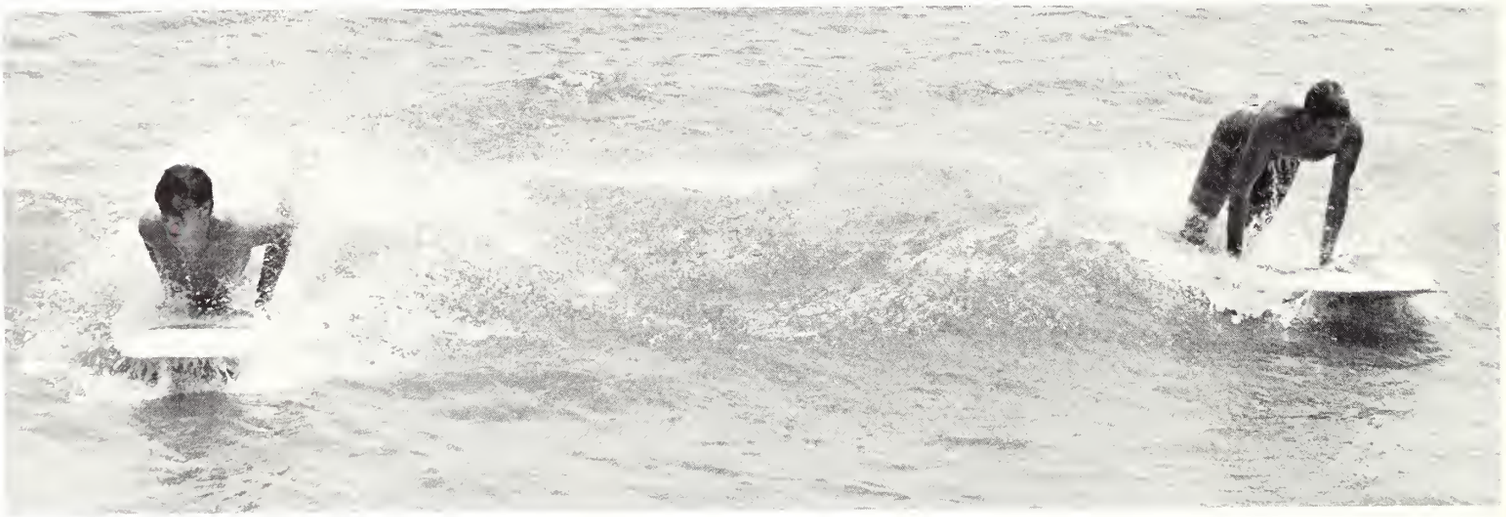
Orientation Outing . .

The Orientation Committee combined business with pleasure by luring the freshmen to the Casino beach at Dauphin Island, about thirty miles due south of Badgerland. There wasn't much of a surf that September 2nd, but the sun was generous. Even finer beaches awaited those who explored (on later occasions) the Gulf Shores area farther east across the Bay. It is rumored that many a Spring Hill lad and lass have spent four years beside these waters without having to find out that Admiral Farragut here once uttered those memorable words, "Damn the torpedos! Full speed ahead!"



THIS PAGE: A noble effort, even with your eyes closed . . . Everyone invested hours in serious sun-basking . . . Paul Rew had to make an artistic contribution to the locale . . . The class put it all together for a bit of sportsmanship at volleyball in the sun, with everybody a winner.

SOPHOMORES.

Slightly amazed to find themselves once again perched precariously on the Hill, this intrepid group made the usual resolutions: to study once in a while and not make so many excursions to the beach or to the backwoods. To police these and other vows they elected, in February of 1969, Bryan Bertucci as class president, along with Valery Provosty (vice-president), June Heath (treasurer) and Stella Daigle (secretary). Student Government representatives were Bryan Bertucci, Davyd F. Mayer, and Larry Ackels. After the mid-year elections in 1970, Larry Ackels took over as president, with Bertucci as veep, Joyce Wilcox as secretary, and Ronnie Simms, treasurer. Dan Breen and Ann Stark replaced Mayer and Bertucci as SG representatives.

Class of 1971 . . .

The year started with Mark Kent as class president. When he left at mid-year, Angie DeFinis (secretary) took over, with Brian Petty replacing him as a SG rep. Vice-president was Stephanie Szcekocki; treasurer, Claire Stannard. Other SG rep's were Maureen Gamp and Steve Peifer. In February, Maureen was elected president. Joe Fisher became vice-president, with Mary Ann Martin secretary and Ellen Hicks treasurer. Joe Hughes replaced Brian as SG rep.

Academic Activities

Spring Hill College aims primarily at academic excellence. Although the social scene might make it appear that "It ain't necessarily so," students and faculty manage to put it all together, especially in those academic societies and groups dedicated to academic achievement.

Fall Honors Convocation

Our 1969 Teacher of the Year, George Lankford, addressed the 85 student honorees and their friends. Doctor Boyle presented academic awards, along with the Freshman Cup to Bryan Bertucci, the Barras sophomore award to Steve Peifer, the Walsh oratory medal to Larry Ackels, and the Miranda Spanish Medal to John Breen. The Merilh Medal went to Stuart Frentz, the O'Leary Award to Student Government, and the Catholic Press Award to Tom Long.

Spring Honors

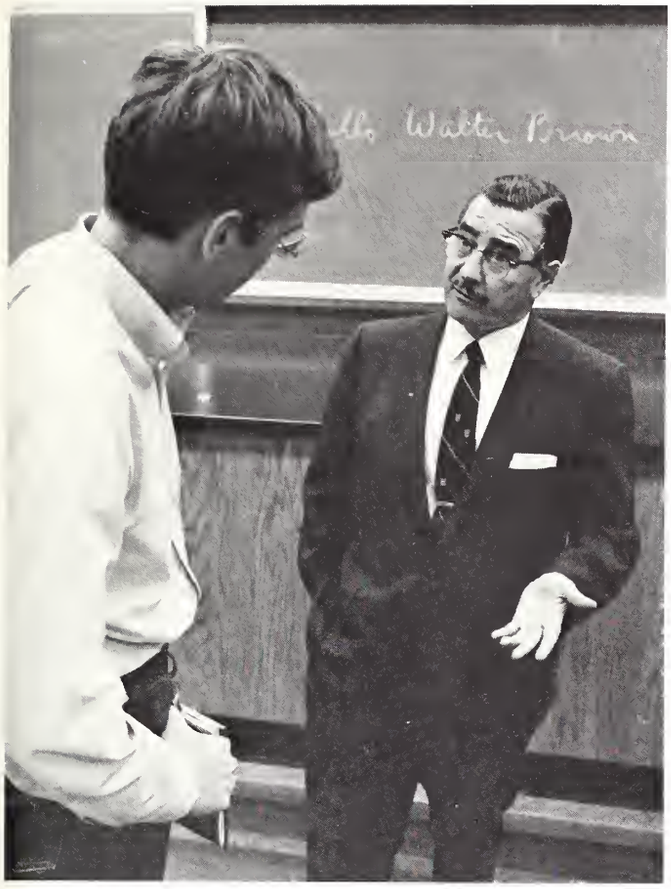
"The University in Democracy" was the topic of Doctor Leo Paul de Alvarez for the Spring Honors Convocation March 15. Highlighting the 1970 Parents Weekend, 113 students received recognition for their achievements. Professor de Alvarez, acting chairman of the Department of Politics at the University of Dallas, advised students and parents that "we must rethink our notions of the academic community and its functions within a democratic society."

Alpha Sigma Nu

This junior and senior men's honor society helped select our teacher of the Year. Officers were president Mike Howard, vice-president Ed Moseley, and sec'y-treasurer Greg McAtee. Other members: Terry Alarcon, Justin Durel, Pat Geary, Albert Charlton, Joe Hughes, Steve Lauten, Tom Long and Steve Peifer. All were chosen for their loyalty, academic excellence, and leadership.

Phi Eta Sigma

This freshman honor society is for men achieving at least a 3.5 scholastic quotient. members were Henry Ackels, Ted Barton, Terry Marlin, Gene Pagano, Tom Schmidlin, Roy Simms, Jorge Arduro, Geoffrey Bush, Jim Henderson and Ed Lyons.



THIS PAGE: Dr. James M. McCrimmon answers a student's question after his February 27 address. This is the honor and professional society for students of the biological sciences. During the year, they sponsored lectures and a movie series. The society's president was Sam Clifford, S.C. Vice-president was John Sullivan, and Mike Denis was historian. Doctor Hemphill is their moderator.

PHYSICS club

Every Friday the physics majors could be found at their seminar meetings, to gain teaching experience and keep current in their field. Among visiting lecturers was Eugene V. Urban of the Space Flight Center at Huntsville, who spoke on "Transition temperatures in Type-II super-conductors."

Absent from photo were Janet Roberts (secretary), Ann Kyle (treasurer), Cathy Freund, Kathy Wentworth, Stephanie Szczekocki. And moderators Mrs. John Oester and Mrs. Sam Betty. Members helped promote the Film Festival, helped select Teacher of the Year, and gave a champagne party for senior coeds.

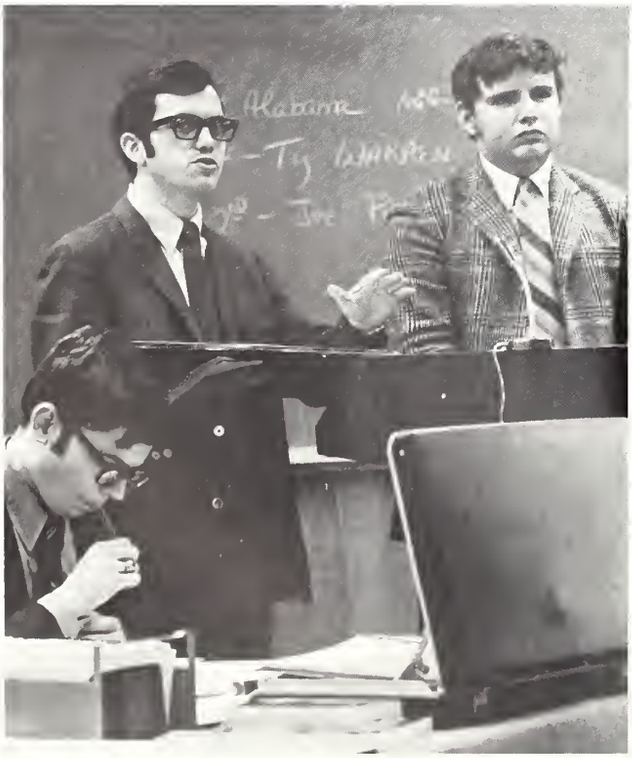
ECOLOGY club

Anyone for cleaning up the Earth? Actually, Earth Day April 22 was a big success, as members and other students gathered to clean up litter in various parts of town. "Turn, Turn, Turn" was one of the songs played by the guitar group for the Earth Day Mass on the lawn in front of Assumption Hall. Now how about doing a little cleaning up on the other days of the year?

Spring Hill DEBATERS

It was a big year for the Portier Debaters, who sponsored our own 24th Annual Azalea Tourney and attended the Regionals, where they placed 5th among teams in the Southeast. They made the octa-final round at Tulane's National Mardi Gras Tournament and at the National DSR-TKA, where Larry Ackels was named Number-One speaker. Our debaters also sponsored the Mobile Forensics High School event here on campus, with 30 schools from eight states participating. Coach Bettie Hudgens believes that her squad of Joe Danner (president), Jay King (vice-president), Larry Ackels (secretary-treasurer), Henry Ackels, Eddie Lyons and Jim Henderson is potentially the best in the Southeast.



FILM group

Knowledgeable short-film buffs say that the Film Club and its Phoenix Films have come a long way in little more than a year. Films created in "Project Eye and Ear," under supervision of Father Robert McCown, stack up high in comparison with efforts on other campuses. Senior Wally Mangan was cited by ESQUIRE Magazine for his film "Omega Point." The 20-minute sound-and-color effort competed against some 250 other student films in ESQUIRE's Film Festival to win honorable mention. Judges of that festival included Andy Warhol and director Larry Pearsen ("Goodbye, Columbus"). Other flicks produced by our group included Mark Hipple's "An Easy Way to Solve Black Militancy," Father Fischer's "Hop and Ike," Mangan's "The Dams," Sister Norellen's "The Excursion," and Father McCown's "You Can't Get There from Here."

ART at the Hill

New equipment made work easier for student artists this year: power tools and saws, an air brush with compressor, and new facilities for sculpture and photography. Exhibits included works by Mr. and Mrs. Felix Conrad Schwarz, Sister Bartholomew Tanner, seniors Lesley Houssiere and Ana del Carmen, and the Hill art faculty.

Spring Hill MUSIC . . .

Assisted by an orchestra made up of local professionals, the Chorale gave two Chapel concerts. At Christmas the featured work was J. S. Bach's "Childhood of Christ." At Easter, selections from Pergolesi's "Magnificat." The Stage Band again helped host the College-sponsored Mobile Jazz Festival.

The THEATRE

The Theatre always adds zest to a liberal arts curriculum, and this was a great year. Theatre majors worked under a new director, G. Derrick Smith, for "The World of Carl Sandburg" Nov. 18-23, and "Exit the King" March 11-14, then took over the production of "A Thousand Clowns" April 24-28. Other students with faculty and Mobilians also got into the act. Senior drama majors produced, directed and starred in 1-act plays. Cathy O'Brien April 30 with Albee's "The Sandbox," and Marybelle Hughes May 1 and 2 with "Something Unspoken" and "Portrait of a Madonna," both by Tennessee Williams. Romulus Zamora wrote and directed "Tour No. 3" for an April 18 staging.

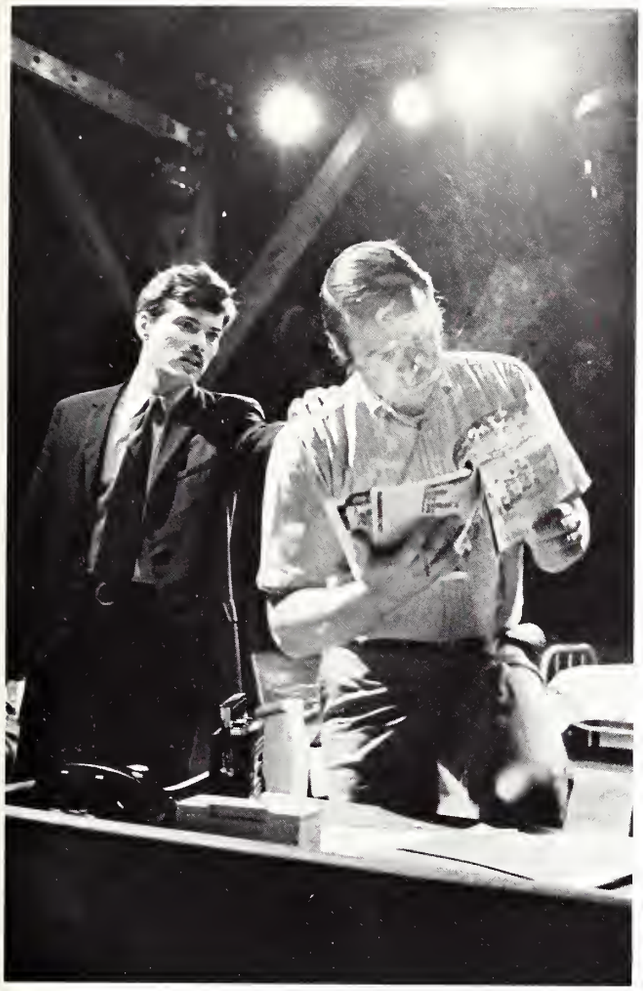
at Spring Hill



"The World of Carl Sandburg"

Four of the College's most experienced drama students were selected for the cast of this off-beat music drama which ran November 18-23 in our College Inn theatre. Mr. G. Derrick Smith, making debut as director following the departure of Dennis Ciesil, announced that Marybelle Hughes, John Ihle, Steve Morris and Lorraine Beaver would "play themselves" in this program featuring poetry and songs by the late Pulitzer Prize winner. Romulus Zamora and Denise Waters headed up the production staff as assistant directors.

Mr. Smith came to the Hill after a directing success in the off-Broadway show, "Sister." After undergraduate work at Baylor, and his masters at Trinity in San Antonio, he did radio work for KWTX in Baylor and held an assistantship at the University of Arkansas. He also won acting honors with the Dallas Theater Center and in Heidelberg while serving in the Army's Special Forces.

Ionescu's "EXIT the KING"

Director G. Derrick Smith, who earned his MA at Trinity with a thesis on Ionescu, points out that EXIT THE KING is a "highly stylized, ritualistic death rite, depicting the final hours of the once-great King Berenger I. In his throne room, surrounded by his two wives and a few other members of his decayed court, Berenger inexorably moves toward his death, first discovering, then rejecting, and finally accepting its inevitability. Throughout the play's action Berenger ages, becoming old and infirm, and as the monarch dies, his kingdom dies with him."

The lead role of King Berenger was played by Romulus Zamora. Denise Waters was Queen Marguerite. Kathy Swain was Queen Marie, the king's second and much younger wife. Jack Evans performed the multi-roles of doctor, surgeon, executioner, bacteriologist and astronomer. Sally Toomer was the nursemaid, and Dale Erwin the guard, in this March 11-15 production directed by Mr. Smith. John Ihle served as associate director, with Cathy O'Brien as coordinator and lighting director. Mary Jo Hulbert and Ihle costumed the play. Allison Tighe was house manager, and John Ditore stage manager.

"A Thousand Clowns"

The College Theatre's third major production of the year featured a town-and-gown cast in Herb Gardner's Broadway comedy smash, "A Thousand Clowns." Senior drama major Steve Morris set-designed and directed this second offering of the spring semester, assisted by sophomore Chris Menges.

Two faculty members had roles in the production, which ran April 24-28 in the College Inn theatre: Mr. Michael Kaffer, playing the role of Murray Burns, and Mr. George Lankford as Albert Amundson. Senior Van Foley, S.J., took the role of Arnold Burns, the square brother of Murray. Senior John Ihle appeared as the irrepressible potato-chip promoter, Leo Herman. Rounding out the cast were two Mobilians: Murphy High freshman Benjie Trimmier as Nick Burns, and Mary Nelson as Sandra Markowitz.

Ken Kippels handled the sound effects, Cathy O'Brien the lighting. Elsa Simon and Denise Waters managed props, and Kathy Swain the program. Allison Tighe was house manager.

Four One-Act Plays

Drama majors rounded out a full year by staging a series of short exhibition pieces. Romulus Zamora's "Tour No. 3" hit the boards April 18, followed April 30 by Cathy O'Brien's production of "The Sandbox" (Albee) and May 1st by Marybelle Hughes in "Portrait of a Madonna" and "Something Unspoken" (Tennessee Williams).

Zamora wrote and directed his one-act presentation of a scene supposedly set on Mount Calvary 30 years after the death of Christ. Two pilgrims were played by Joe Lillich and Vince Wilson. Jack Evans was seen as "The Guide," and Kathy Swain as "The Fool."

Assumption Hall's stage was used by Cathy, who rounded up the following cast: Margo Mueller for "Mommy," Steve Zietz as "Daddy," Barbara Koskie as "Grandma," Joe Kulakowski as "The Young Man," and Mr. Mike Brantley as The Musician.

For her Tennessee Williams tour-de-force, Marybelle played "Cornelia" in "Something Unspoken," sided by M. K. Wegman as "Grace." In "Portrait of a Madonna" (Southern-style), Miss Hughes played the role of Lucretia Collins. Assisting on stage were Emile Bertucci as The Porter, Romulus Zamora as the Elevator Boy, Mike Flood as Mr. Abrams, John Ditore as The Doctor, and Denise Waters as The Nurse.

Service & Social Group Activities

Although first emphasis in on academic achievement, Spring Hill's personality is shaped largely through non-academic activities planned and shared by many service oriented groups. Student Government, for example, has been playing a larger role every year, but without diminishing the importance of more specialized activities. And of course there is the faculty-student Senate, which now has completed its first full year.

COLLEGE SENATE

Major student interest in Senate deliberations lay in the issue of dormitory visiting privileges, which the Senate studied cautiously. But it did recommend more coed freedom in dress and house-check. Other moves: the 12-12 Theology-Philosophy program was upheld, a pass-fail option was recommended for certain courses, a plea was made not to ax the varsity basketball and baseball programs, and the setting up of a behavioral sciences division was recommended.

Student members of the Senate were Bill Whibbs, Alfred Montgomery, John Krentel, Johneen Skrmetta and Joe Hughes (Hughes following Johneen as Student Government appointee at mid year).

Administration and faculty members: Father Murray (chairman), Frank Kearley, vice-chairman; Doctor Boyle (academic committee chairman) plus these committee members: Mr. Deneau, Mr. Padgett, Mr. Welch, and Father Yamauchi. Student Personnel Committee: Father Pearce (chairman) plus Mr. Macnamara (succeeded by Mr. Reeder at mid-year), Mr. Lankford, Father Marlow, and Brother Claver (succeeded at Mid-year by Mr. McClain).

Business Committee: Mr. Hasser (chairman) plus Mr. Baker, Mr. Head, and Mr. Betty. Development Committee: Mr. Fink (chairman) plus Father Creagan and Mr. Kearley.

SELF-GOVERNMENT

Student Government concerned itself with much the same issues as our Senate did, but usually put itself on the opposite side of each question. Thus, Student Government ad hoc committees frequently found themselves arguing issues with available delegates to the Senate.

Miscellaneous and mostly chronological motions: Thanks to Mr. Pace and his film committee for their work and their choice of films; permission for day students to patronize Top of the Hill; Isosceles Popsicle Band okayed for Sept. 6 dance; funds allocated to Theatre and to Art Department (for September exhibit); microphone available in front of Campus Center for anyone wishing (once a week) to use it; endorsed motion by SG at U. of Alabama to chide public officials making emotional attacks on desgregation; set goal of 200 pints for October Blood Bowl. (77 were obtained.)

Also: Flowers to stroke-stricken Father Schwing; commendation of Student Reform Movement; plans for participation in anti-war moratorium Oct. 15. (Requiem Mass, ringing of chapel bell at change of classes, black arm bands, petition available for signatures, list of war fatalities read throughout day in front of Campus Center.) Investigation of student complaints about cafeteria and bookstore.

Alarcon set up drug information program which led eventually to national commendation for Terry. Arrangements to have Loyola Villa, on Mobile Bay, opened to students; "Mr. Hump" title awarded to Joe Fisher for receiving the most votes in March of Dimes fund raising.

Finally: Discussion about raising student activities fee from $25 to $50; endorsement for Mr. Albert Brewer in the Alabama gubernatorial race; appointment of Tom Long to head up committee to plan for next December's national meeting, at Spring Hill, of Jesuit college student government representatives; appointed committees to arrange "Earth Day" and "Law Day" campus program.

Student Court

Most violations of regulations have been taken care of by officials and organizations directly concerned. For example, Student Government imposes fines for breaking Top of the Hill or dance regulations. But the case of a student fined by Father Pearce for admitting women to his room was appealed to Student Court, which dismissed charges. Father Pearce re-imposed the fine. Stuart Frentz and Steve Lauten served as Chief Justice. Associates were Mosely, Hughes, Markel, Bertucci, Geary, BecVar, Charlton, King, Brauchman and Heath.

Dormitory Councils

Pleas were made for sweeping changes in hall regulations; but until they are inaugurated there remains considerable self-regulation through the men's and coeds' elected hall rep's. Coed rep's also planned hall Masses and parties. Elected in March to the men's council were Mike Dennis, John Sullivan, Ray Hicks, Craig Sherlock, Mark Pinkowski, Kenny Mays, Mike Murphy and Henry Boudreaux.

BELLES of the Hill

DIANE DONOVAN

Student Government began a few years ago to choose one coed each month as its "Belle of the Hill," honoring girls who had shown spirit, friendliness and cooperation in campus activities. With this issue, The TORCH recognizes the merit of these choices, and wishes to thank all of these coeds for contributing so much to the spirit at Spring Hill.

BONNIE BARON was selected as the March Belle. From Satellite Beach, Fla., Bonnie graduates with a BA in English and membership in Gavel. She has served as ISC rep for Beta ("outstanding" member of Beta last year), "Sister" of ADG, president of her junior class and vice-president this year. Nominated for ISC cup.

BOBBIE BECKER, November Belle, is also our "Miss" Torch. Married Eddie Farrell. Home town, Miami. Transferred to Hill after two years at Mount Mary in Milwaukee. Tri-Gamma member, and on Miss TORCH court last year. Graduates summa cum laude with BS in psychology.

SUZY DONNELLY, from Cranford, N. J., graduates cum laude with her B. A. in French. Suzy was nominated to Gavel and to WHO's WHO, after serving as secretary of Delta and 1969-70 president of the women's residence hall council.

SUZY DONNELLY

MAUREEN GAMP

DIANE DONOVAN graduates with a BA in English and lists Houston as her home town. Since her sophomore year, Diane has worked in the hall prefect system. This year she was head prefect in Toolen Hall. Member of Alpha sorority, Diane is a former columnist and women's editor for The Springhillian.

MAUREEN GAMP, a St. Louis junior, is president of her class and secretary for Student Government. Social chairman for Gamma as a sophomore, Maureen now is her sorority's ISC representative. A student curriculum advisor, she was nominated for the Barras award.

MARYBELLE HUGHES, a Theatre BA from Cincinnati, has almost worn out the College Inn stage, in addition to large gobs of backstage work. Her major credits were in "I Remember Papa," "Mother Courage," "Silent Catastrophy," "Romeo and Juliet," "Madwoman of Chaillot," "World of Carl Sandburg," and her Tennessee Williams one-acters this year.

ROBIN PEARSON, our sole Mobilian, is graduating with her BA in English and as secretary of her class. She served as secretary also of Beta sorority, co-chairman of the Orientation Committee, and was nominated for WHO's WHO.

MARY WELDON, an Atlanta BA in English, has served Tri-Gamma as vice-president. As a junior, Mary was vice-president of the Women's Dorm Council. This year she has been active on the senior advisory committee.

KNIGHTS of Columbus

Father Michael Kenny Council continued to enjoy its clubroom at the west end of Kenny Hall.

NOVA group

These Christian activists continued their projects at St. Mary's Home and at local mission churches, but also attempted to broaden their on-campus influence via discussion encounters, and a springtime weekend at Loyola Villa. Father Lambert led this weekend in recreation, liturgy and discussions.

The Mexican Project worked at raising funds and gifts to send with Father Lambert, Jenny Lawrence, Tom Akra, Carlos Gonzalez and Gen Summers for their 6-week summer leadership work with the people of Tlaxco in Mexico.

Re-elected as coordinator in March was Ann Dolhonde. Newly elected secretary was Margaret Horst (replacing Kay Schroeder) with Karen Lockett as secretary (replacing Denis McCarthy).

Contact

The forum last Tuesday involving students, faculty, and three top administrators was hopefully a sign of things to come, things such as more forums like that. If the meeting proved one thing, it was that Father Rimes, Dr. Boyle, and Father Pearce do exist in flesh and blood and do feel a duty to students at Spring Hill.

But what was encouraging was the number of faculty at the forum. The faculty had not really been invited -- indeed, they had not

Memo To Father Pearce

Dear Father,

I was amazed, appalled, chagrined, and more than slightly insulted by the recent directive issued by the office of the Dean of Students concerning coeds who desire to leave the campus before the completion of their classes for the week. Upon investigation, I was told that this particular rule – stating that girls in the above-mentioned situation must first receive permission from your office – has been "common practice" for a number of years. First of all, while it may have been "in the rule book" for a number of years, it has hardly been practiced – indeed most of the counselors have been totally unaware of i

Secondly, the fact that coeds have managed to survi for some years in total ignorance of this policy might le

WEEKEND WATCHING

A *Thousand Clowns* is one of those films which seems to please no one except its audiences. Ask any one who has seen it and he is likely to have nothing but praise. Nevertheless, the critics were only lukewarm in their response. *The New Yorker,* for example, worked itself up to call it "a pleasant surprise."

Why the disparity? Is it just another Sound of Music? I don't think so. Rather it seems that this is the type of film critics are afraid to get too excited about. None of the reviews is unfavorable. They're just unwilling to come out and say they enjoyed it. The film is the type that Stanley Kauffman has called "a trap for

Someone pulls the plug, and you sit by the side of the pool and watch your whole life flow down the drain, out to the rivers, down to the sea. You stand to watch the sun go down, behind the mountains, into the sea. You pull your coat closer around, cold as you stand alone amid mountains, and a wind sweeps up your tears and your crying and leaves them gently on the mountain sides. The stars come out, Venus and the moon, the night sounds fill your ears. The darkness fills your eyes. You stand on the cliff and look down to the lights in the valley. Faint echoes from your past tell you you cannot fall off of a mountain. Louder screams from your present tell you to try. Foolish hope for tomorrow keeps your feet in the clay and glues your feet to the stone. In the morning you will wander down and beg for bread in the villages. In the day you will hide in the back alleys, looking for fame in the back streets. You will walk again in night. But someone takes your shadow. Someone paints it on the wall. Someone leaves a trace of you behind. Someone calls your name into the wind.

IFC Vote Ressurects

A Spring Hill fraternity tradition was revived last week as members of the now-defunct chapter of Kappa Sigma won the consent of the Inter-Fraternity Council to re-establish their status as Greeks under a "new" name.

The "new" name for the Kappa Sigma group is Phi Omega -- the same name by which the group was known for over four decades before it affiliated with the Kappa Sigma national in 1967.

The group is the only one of five fraternities on the Spring Hill campus to operate without national ties.

Consent to the revival of Phi Omega came in a meeting of the IFC last week, when three of the four fraternities already seated on the council voted in favor of the new constitution submitted by Alfred B. Montgomery, leader of the group.

The motion to grant the group official recognition of its proposed constitution

Hail To Thee

Traditional Spring Hill cynicism withered a bit last Sunday night in the Chapel when the College Chorale set the tone of the Honors Convocation by singing — of all things! — the "Alma Mater."

It is part of the old cynicism that this simple but impressive eight-line song has almost never been sung here.

Our "Alma Mater" is like all such songs. It invokes images of campus beauty, advances the institution as the font of wisdom and virtue, and demands that all Hail the Nourishing Mother or else. In short, it is what modern man likes to call "corny," since it says only what everyone knows.

A far-reaching job placement plan for Spring Hill students is now being formulated and should be in full-scale operation within the next few months.

The program, under the supervision of Placement Director John Collins, S.J., and Assistant Director Francis X. Carberry "initially will emphasize job placement for graduate students and then will be expanded to include job opportunities for alumni of the College," said Father Collins.

SRM Says No To Charter

The recently inaugurated Student Reform Movement has declined to submit a constitution for approval by Student Government and the Dean of Students. Such a move is normally required of all groups desiring formal recognition by the College.

"We want as little structure as possible," asserted Mr. Frentz, the movement would suffer.

"Since we want as many people as possible to get involved in campus reform," he said, the group's leaders have decided against following the usual organizing procedures stipulated in *Organizations at Spring Hill*

FRATERNITIES

Whatley Fenlon and Tom Galle chairmaned the IF Council, the latter taking over in March and promising to renew efforts to promote cooperation. The usual big events were held with Kappa Alpha (with assist from the Taus) taking over as Beer Bowl champion. The former Kappa Sigma chapter revived briefly, then demised under its previous title of Phi Omega. No pledges entered, and an old debt to Student Government was unpaid.

Phi Kappa Theta

These brothers held the traditional Christmas Party for orphans and aided the Mobile Cancer Drive. New pledges: Joe DeFina, Marty Carroll, Dale Erwin, Steve Nelson, Dan Rainiere. 1969-70 officers: chancellor Mickey Wellington, v.c. Mark Czerniak, treasurer Bob Markel, secretary Eddie Farrell. Elected Feb. 11 were chancellor Ray Hicks, v.c. Bill Lennox, treasurer Bob Markel, secretary John Sanderlin, IFC rep's Mike Hogan and Mike Lambert.

Phi Kappa Tau

A big year, as they knocked off Phi Kappa Theta in opening Beer Bowl action, ran another successful Coed Derby, and also won the IFC Quiz. New pledges: Bill Brundige, Ed Doody, Roy Acree, Ron Sims and Henry Ackels. Lee Hale was 1969-70 president, with v.p. Stuart Frentz, sec'y Alex Muro, IFC rep's Bob Singleton and John Hendry. Chris Peters took over in February as president, with v.p. Dan Mulroy, secretary Steve Padgett, and treasurer Bob McCorkle.

Kappa Alpha

Their Old South Weekend came off as scheduled, helping them to close a glorious year that saw them rule the Beer Bowl roost. New pledges: Jim Anstey, Henry Boudreaux, Dave Dickson, Rob Halpin, Pierre Landry, Mike Murphy, Frank Offenburg, Kevin Pearson, John Schuessler, Craig Sherlock, Paul Voitier and Ken Mays. Rich Reynolds was no. 1 for 1969-70, with no. 2 George Wentworth and no. 3 Gaeton Lorino. For 1970-71 it was Jim Aton elected no. 1 in March, with no. 2 Gaeton Lorino and no. 3 Steve Lauten. Other new officers: Pat Collins, Dave Esper, Phil Moses, Ted McElhinney, Ralph Patten, Dan Breen, and IFC rep. Paul Breaux.

Alpha Delta Gamma

They placed 2nd in the Quiz, held two picnics for underpriviledged children, re-decorated the house, had Open House, Mass and breakfast for visitors during Parents Weekend, and cleaned up Loyola Villa. New pledges: Dan Crane, Joe Dardis, Dick Diego, John Fredericks, Dennis McCluskey, Ed Maher, Ralph Nolan, Pete Scaglione, Tom Schmidlin, Mike Uhde, Fred Schwartz and Pat Craig. 1969-70 officers: president Dennis Wiley, v.p. Mike Howard, sec'y Mike Dennis, treasurer Albert Charlton. For 1970-71: president Charlton, v.p. Joe Hughes, sec'y Denis McCarthy, treasurer Bryan Bertucci.

In Beer Bowl action, Phi Kappa Tau eliminated Phi Kappa Theta (champions since 1962) 25-20, Sept. 27, then were ambushed Oct. 4 by Kappa Alpha, 31-13, after KA had taken a Sept. 28 squeaker over ADG, 20-18. The Taus took the April 15 IFC Quiz with a 1st-period 270 points, to ADG's 40, the Kappas' 30 and KA's zero. In the 2nd period it was the Taus 290 and ADG 30. Winning team: Stuart Frentz, Alex Muro, Lee Hale and Chris Peters. The ADG team: Mike Gretchen, Mike Howard, Albert Charlton and Joe Hughes. For the Kappas: Frank Heston, Bob Markel, Tom McDermott, John Sanderlin. For KA: Jim Aton, Bill Quina, Louis Knight and Danny Breen.

Miss TORCH and Court

History was made in our selection this year when "Miss" TORCH turned out to be a "MRS." Bobbie Becker had married Eddie Farrell, formerly vice-president of Student Government, shortly before the early February elections. She was a popular if unexpected choice, as the applause and excited comment showed when the Court was announced, during half-time of our Varsity cage match with Loyola at McGill's Portier Center, the night of February 21. After all the girls and their escorts had been introduced, last-year's Miss TORCH made the now-traditional walk back and forth before presenting the rose bouquet to Bobbie.

Our new Miss TORCH was a favorite in last year's Court, transferring to the Hill after two years at Milwaukee's Mount Mary College. From Miami, Bobbie is graduating summa cum laude in psychology. Member of Tri-Gamma sorority and a member of Gamma's team in this year's Intersorority Quiz Bowl, she was named November's Belle of the Hill in 1969. Brian Bertucci, sophomore class president, was her escort for the presentation ceremonies.

JOHNEEN SKRMETTA is a 4-time member of the Miss TORCH court and of Student Government, for which she served on the College Senate this year. From Biloxi, she graduates with a BS in sociology, magna cum laude. Member of Gavel, ALT and Tri-Gamma, ROTC sponsor, sister of Phi Kappa Theta, and winner of the Freshman Cup, Johneen was escorted by Mickey Wellington, chancellor of the Kappas.

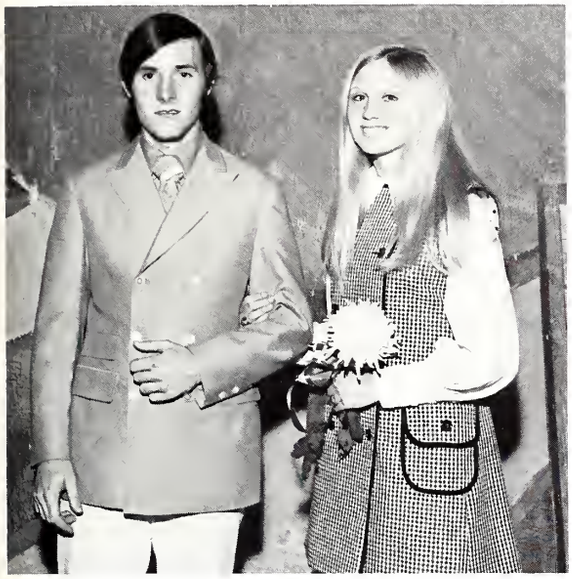
KATHY BLOOM, junior art major from St. Louis, is sweetheart of Phi Kappa Theta and member of Tri-Gamma, for whom she serves as vice-president. Justin Durel, Senior president, escorted her.

PAT CAVANAUGH, Chicago sophomore in the sociology program, is also Tri Gamma, and was a member of the 1969 Court. Pat was escorted by Chris Miller, president-elect of Student Government.

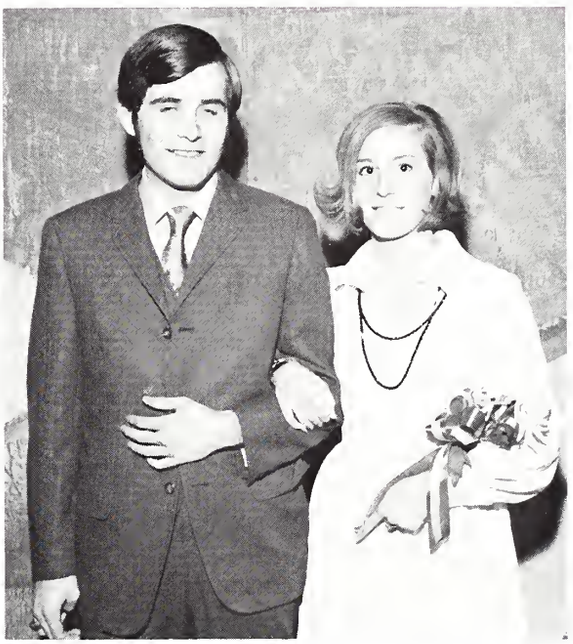
ANITA OAKS, a junior in elementary education, is acting president of the ISC and new president of Alpha Sigma Chi. Escorted by Albert Charlton, ADG chancellor, Anita is from Miami.

KATHY KOTHMAN graduates summa cum laude with English BA and membership in Tri-Gamma, Alpha Lambda Tau and The Gavel. She served on the coed dorm council and senior advisory committee. This Jacksonville coed was escorted by Steve Peifer, president of the Junior Class.

SALLY McQUAID was escorted by Chris Peters, chancellor of Phi Kappa Tau. Sally is an elementary education freshman from Atlanta, ROTC sponsor and Tri-Gamma.



ANN STARK, a sophomore English major from Fort Lauderdale, is a Student Government representative, dorm counselor in O'Leary Hall, and TORCH staffer. Ann was escorted by SG prexy Terry Alarcon.



JUDY KLEMAWESCH was escorted by Tom Long, editor of The Springhillian. A freshman from St. Petersburg, Judy is in the biology program and member of Tri-Gamma.

JENNY DAUM, the third freshman on our court, is a Cincinnati member of Tri-Gamma and a sister of Phi Kappa Theta. Jenny, a sociology major, was escorted by Jim Ryan, frosh prexy.

intercollegiate ATHLETES

A steadily increasing de-emphasis of athletics has reached a logical conclusion this year. Only the golf team, and only just barely, had a winning season (7-5). Basketball was 10-15, Baseball 6-10, and Tennis 6-9. The Football Club, undertaking its most ambitious season, lost two and won one. Perhaps the brightest note came from the Rugby Club: although losing nine of their first ten matches, they took two of their last three by perfect defense. But a losing season can still be a good season, and every squad gave it that good old Badger try.

FOOTBALL

After two bruising losses on the road, our club squeezed out a 14-13 decision over Loyola to end the Season November 15 at Trimmier Park on Mobile's southside. LSUNO had drubbed the Hill in New Orleans, scoring a host of touchdowns and a 45-15 win after the Badgers had taken a brief 15-12 lead. Nicholls State opened our season, in Thibodeaux, by scoring three touchdowns in the 2nd quarter, en route to their 41-0 win. The Hill recovered two fumbles and intercepted four times to hold down the score. Badger scores against Loyola came on a 5-yard run by Farrell and a 23-yard Bezdek-to-McGovern pass. Gentzkow's second perfect placement made the difference.

club roster

Head Coach Scott Driver (from USA) was assisted by Lt. Col. Louis Chateau and Mr. Tim Fink. Managers: Engstrom, Wilson and Masterson. QB Mike Bezdek completed 34 of 68 passes for a 10-yard average, and averaged 40 yards on 7 punts. Running backs were Farrell, McGovern and Truxillo. RUGBY club

Still in its infancy after a scant three games last year, the Spring Hill Rugby squad took on a long slate (13, not counting canceled matches) for the 1969-70 season. Pluck paid off, eventually. After four losses (to Tulane and Pensacola Navy) our ruggers hung on for a 5-3 win over Pensacola. Two more losses came in the Mardi Gras Tournament at Hammond, La.: 8-11 to Hammond and 0-3 to the University of Florida. On the road again, losses came again at the hands of Pensacola and Tulane. But our home field saw wins over Tulane (10-0) and Auburn (13-3). We closed with a 6-12 loss to Pensacola. But the Hill scored 6 tries during these final three games, to none for the foes.

RUGBY ROSTER. Coach John Marshall was assisted by player-coach Jim Galligan (of U.S.A. and Australia). Co-captains were Thom Kelly (F), Bob Markel (F) and Jim Gallagher (B). Other forwards were Chris Cosgrove, Mike Mandalla, Gary Marlin, Andy Mooney, Joe Kulakowski, Mike Phelan, Bill Goodwin and John LaFleur. Other backs: Ebon Wright, Jerry Stamm, Joe Fadell, Bob Franck, John Abbene, Mike Hogan, Emile Bertucci, Pat Killen, Jim Cortez and Rick Coelen.

BASKETBALL

A late-season slump, triggered by injury and illness, detoured what had promised to be a wining season. The team finished with a 9-16 record (7-5 at home, 2-11 on the road). But at least this season did provide one of Spring Hill's most memorable sports moments, as our Badgers made up a 2nd-half 16-point deficit to topple a powerful South Alabama outfit, 78-77. Many old-time fans called this their greatest sports thrill ever.

Leading scorer for the Badgers was Most Valuable Player Joe Grill, with 489 points and 19.56 average, as he pursues that most sought-after record, the all-time career scoring record set by Happy Mahfouz in the early 50's. Joe was followed by his partner in this high-scoring pair of forwards, Mark Czerniak, who came through with 370 points and a 14.8 average.

Leading rebounder was Mark Pinkowski, averaging 14.1 per game for a Badger record, followed again by Czerniak with an 11.1 average. Guard positions were filled ably by the skilled Cas Bacinskas, Mark Thornton and George Coelen. Bacinskas' presence in the lineup looms ever more important, as his late-season fight with illness again seemed to set off a losing streak.

Bench strength came from popular Ray Hicks (who sparked that win over USA), from sophomores Terry Veith and Eric Rosen, and from freshmen Mark Thompson, Marty Carroll, Dan Crane and Dan Raniere. The only graduating senior is that irrepressible and irreplaceable Larry "The Gawk" Menz, so there seems to be a bright future for Coach Jerry Hughes and Spring Hill basketball. Daryl Haskew's JV squad was 4-8 for the season, with Mark Thompson high scorer (17.3 average).

Daryl Haskew served as student assistant coach, and Mike Doll as manager of the team.

NEW RECORDS: Pinkowski's 24 rebounds in the win over USA; Grill's 49 consecutive games scoring ten or more points in each; the team's 22-for-24 free-throw mark against Nicholls State at Mobile's Arean; and 104 fieldgoal tries against Troy State at Troy.

Racketeer Season

Five matches were rained out, leaving fifteen. Six of these were won by our Badger net squad, with nine losses. Father J. C. Wagner took over the reins as coach, with Father John Schwing staying on as assistant. Last season's Number One, David Brown, spent this year as a junior in Rome, which deprived the squad of its best chance for a big year. Rick Coelen took up some of the slack, with a 10-6 record in singles and 11-3 in doubles. Tim O'Mara was 8-8 and 10-4. Marty Halliday, 7-8 and 7-8. Jerry Carmody, 3-2 and 4-0. Joe DeFina, 2-7 and 2-5. Bob Halpin, 2-12 and 9-6. Steve Lauten, 1-6 and 0-5. Roy Acree, 0-8 and 1-9.

Wins over West Florida (6-1 and 5-4), Belhaven (5-4), Samford (8-1), Loyola (5-2) and LSUNO (6-1). Losses were to Memphis S'eastern (4-5), Belhaven (1-8), Southern Mississippi (3-6 and 1-8), South Alabama (2-7 and 1-8), Alabama (2-7), Millsaps (4-5), McNeese (0-9).

Badger GOLF

Turning in the best won-lost record of any Badger varsity squad, Father Lambert Dorn's men posted wins over Loyola of New Orleans (14½-12½ and 17½-9½), West Florida (23-4 and 18½-8½), Pensacola Junior College (16½-13½ and 329-333), and the University of South Alabama (16½-10½). Losses were to West Florida (324-317 and 329-326), LSUNO (1½-16½), Loyola of New Orleans (6½-11½) and USA (2½-24½) for a composite 7 wins and 5 losses. In addition, our linksmen placed 10th among 17 teams in the Van Hook Tourney at Hattiesburg, and 8th among 10 in our own Buckhaults Invitational. Mick Wellington was our low man in the Buckhaults, with 230 for 54 holes. Alabama's Sam Farlow shot 215, helping his Alabama mates to an 883 score and first place ahead of Southern Mississippi and Mississippi State.

INTRAMURALS

With the strongly developing interest in Rugby and Club Football, not much attention was paid to the quietly pursued non-intercollegiate program. Father Colkin's men ran a full program of the non-contact sports, and the Women's Intramural Association also had a strong program. Brother Doherty's Key Clubbers also made full use of their body-building equipment down below the east-end classrooms of Quinlan Hall. The Soccer Club scored two wins over Fairhope (4-0 and 5-2), but lost four to the Mobile City Club (1-2,1-3,0-4 and 0-2), and one to Pensacola Junior College (0-5). Bezdek scored three in the 5-2 win over Fairhope.

BATTALION

This was a year of change in structure for Spring Hill's ROTC Battalion. The University of South Alabama, whose cadets previously had drilled with ours, now has its own training cadre from Third Army. The Spring Hill Battalion therefore has been reduced to our own contingent of students, plus a small number from Mobile College.

The new Battalion structure comprises two companies plus a Lancer platoon. A-Company, all freshmen, was commanded by Cadet Captain Greg McAtee. The all-sophomore B-Company was headed by Cadet Captain Steve Mannhard. The Lancers, all juniors preparing for the 1970 summer camp, was commanded by Cadet Captain Ralph Bruno.

Cadet Lt. Col. Jim Murphy commanded the Battalion, assisted by Cadet Major Dennis Wiley as executive officer, Cadet Captain Gary Marlin as Sl, Cadet Captain Hugh Wallace as S2, Cadet Major Mike Potter as S3, and Cadet Captain Whatley Fenlon as S4.

The instruction staff saw many changes. LTC Roy G. Lanier retired in January, 1970. Captain J. E. Brazelton was separated from the Army in May, and Major Bob E. Shambarger was transferred to Vietnam in June. Our PMS & T, LTC Louis A. Chateau, retired in July and was replaced by Major Charles R. Kelley.

SS6 Wingard followed Major Shambarger to Vietnam in September, and SGM Price retired in October, with M/Sgt Richard Larossa, who had arrived in February, replacing him as operations sergeant.

Captain William Coradini, a Hill Alumnus, joined the staff in August of 1969 after service in Vietnam. Other staffers, not previously mentioned, were Major E.W. Hill, SS6 Herring, and ROTC secretary Mrs. M.F. Kirby.

Administration

Irresistibly progressive planning, when it runs into immovable deficits, spells cautious experiments, and that is the Spring Hill story, administrationwise. The only villains: declining enrollment and rising costs. This year's deficit: $115,395, caused also in large part by $200,000 annual amortization of three new dormitories and the Campus Center.

Encouraging signs: Gifts have increased by 25%, to a total of $172,942 this year, and 80% of this 1970 graduation class pledged more than $8000 for the next five years. To increase the flow of gifts, the SHC Development Council has been formed, with Louis Maher of Dallas (SHC '43) as chairman, and Mr. Tim Fink (SHC Development Director) as executive secretary.

A Planning Board has begun a 5-year-plan study, with Mr. M.C. Padgett (Director of Student Financial Aid) as executive secretary. Students are members of the various working committees. Being studied by this board (and by the Senate) are inauguration of a communications program, a social-sciences consortium with Dillard University, and consolidation of the psychology-sociology programs.

Underway are expanded use of the computer center, amplification of the Placement Service, an experimental program of group studies for freshmen, and intensification of the one-year-old student recruiting program under Father J.C. Wagner.

Against student pressure, the administration has upheld the ROTC program, the 12-hour requirements for Theology and Philosophy, and has postponed (because of Trustees' worry over parental reaction) the inter-dorm visitation privileges okayed by the Senate as part of a new dormitory-life package. In October, hundreds of students and faculty heard Father Rimes, Doctor Boyle, and Father Pearce explain administration views.

Administration members not otherwise mentioned on these pages are Father Orie L. Abell (Treasurer), R. Sperlin Lowery (Comptroller), James E. Hasser (Business Manager), Mrs. John Marshall (Purchasing), Father C.F. Lynette (Alumni Director), Father George O. You can't win: after evaluation of faculty by students, those same students complained that scores were too high. But it wasn't too bad a year. our Alumni

The 1970 Homecoming, April 3-4-5, featured a re-union of former Hill athletes who had played under Coach Earle Smith, our last varsity football coach (until 1941). "Trojan" Meriwether organized the gathering. Other re-unions were of the classes of 1920, '25, '30, '50, '55 and '60.

An established feature of Homecoming these days is the President's Round-Table, which gives our alumni the chance to question and discuss the student-life and academic changes which are taking place on campus.

Thomas C. Curran, national president for the past three years, is relinquishing the office after beefing up alumni interest and contributions. The new president is Joseph N. Langan, member of the political science faculty, who has served as state representative and senator, as Mobile City mayor and commissioner, and commander of Alabama's National Guard (with service from 1931 to 1967 in the 31st Infantry "Dixie" Division).

Sidney B. Simon, president emeritus of the Spring Hill National Alumni Association (he entered Spring Hill's high school in 1904) was honored by Mobile's Mardi Gras this year, as founder of the popular Floral Parade, a daytime affair which gives Mobilians the chance to see attractive floats, and children the chance to ride them.

Because of shortage of space, and oversights, we neglected in the proper places to list officers of the Key Club and the Men's intramural program. The latter was headed by Jim Murphy (president), Van Foley (veep) and Jerry Stamm (sec'y), assisted by Terry Alarcon, John Bennett, Gus Bohne, Tim Burns, Jim Cortez, Steve Gentzkow, Tony Gonzalez-P., Charles Jenks, Tom Kirwin, Greg McAtee, Hugh Wallace and Denis Wiley.

The Key Club had Bob Markel as president, Andy Mooney as veep-sec'y, and Dick Reynolds treasurer. The men cooperated with a coed group (Marg-o Mueller acting president) that began to use their conditioning facilities.

1971 COMMENCEMENT

Surprise! As this 1970 TORCH finally goes to press, we learn that the 1971 yearbook has aborted. So we've re-planned these ad pages to make room for at least the commencement section of a 1971 book.

There were 168 graduates in this 1971 class, of whom all but 16 "in absentia" ought to be smiling at you from the group photo opposite. Those 168 lined up after the 3 p.m. commencement on a beautiful Sunday, May 9. Alabama's ex-governor, Albert P. Brewer, was guest speaker (chosen by the class). He said that they probably would solve many of today's problems, because "I've never known a generation that wanted to so badly." There was no valedictory, but Doctor Boyle explained why it had been "withdrawn" by Tom Vogtner.

Msgr. Oscar H. Lipscomb, chancellor of the Mobile Diocese, delivered the Baccalaureate Mass sermon that Sunday morning. Other commencement week-end events: Junior-Senior cafeteria party on Friday night, to the music of "Your Father's Moustache"; ROTC commissioning Saturday at 2 p.m. for 13 new officers, including distinguished military graduates Blain, Burns, Doll, Gonzalez, Imorde, Klockenkemper, Mooney and Sparks. Guest speaker was Maj. Gen. Wilson M. Hawkins.

The Senior Soiree was Saturday night (cafeteria). The Senior Prom, Sunday night at Highland Country Club.

(And we might as well, since we've included the 1971 Commencement, hail the fact that Grill helped make the 1970-71 basketball season a memorable one by topping Happy Mahfonz's 4-year (1951-1955) scoring record. Happy: 1754 in 101 games. Grill: 1775 in 104 games. Field goals: Happy: 598; Grill, 733. Free throws: Happy, 558; Grill, 309. Rebounds: Happy, 1266; Grill, 702. In his senior year, Joe Grill and his team-mates compiled a 9-17 mark, with Cas Bacinskas out with injuries for almost the whole season.
